Community support programs - clarification

This Update provides clarification regarding a Medicaid recipient's eligibility for community support program services.

Recipients eligible for community support program services

Community support program (CSP) services are currently available to Wisconsin Medicaid recipients of all ages. Please make a note of this change on page 5H1-004, Community Support Program Handbook, Part H, Division V where age is discussed.

This *Update* applies to fee-for-service Medicaid providers only. If you are a Medicaid HMO network provider, contact your managed care organization for more information about its procedures. Wisconsin Medicaid HMOs are required to provide at least the same benefits for enrollees as those provided under fee-for-service arrangements.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.
